PUBLIC MEETING ON CLIMATE CHANGE

**What are Baildon and Bradford doing about climate change? What more could Baildon and Bradford do about climate change?**

1900 for 1930 [7.30 pm] Monday November 16 2009  
Baildon Methodist Church, Newton Way, BD17 5NH

The church is three minutes walk up Newton Way to the left of the main Baildon roundabout where all buses stop. Extensive car parking is available to the right of the roundabout.

Tea and coffee will be provided beforehand, at a small charge, and there will be displays and literature available.

Chair: Chris Flecknoe
